RE: Modification to the M&RP to Include the HCI Ground Water Model Report in the July 2002 Addendum to the PHC, Canyon Fuel Company, LLC, Skyline Mine, C/007/005

Dear Ms Grubaugh-Littig:

Please find included with this letter seven copies of the HCI Ground Water Model for the Star Point Sandstone in the Skyline Mine area. This report is to be included in the July 2002 Addendum to the PHC as Appendix J. Also included are copies of PHC text that were modified to reflect current mining conditions at Skyline Mine. Though only a few lines of text were modified or added, several pages need to be replaced in the document since the overall pagination changed.

This submittal includes completed C1 and C2 forms, four redline/strikethrough copies of modified text, and seven clean copies of text. I have sent a copy of the modifications to Steven Demczak of the PFO. If you have any questions, please call me at (435) 448-2669.

Sincerely,

Chris D. Hansen
